ANNEXURE - II

RURAL INFRASTRUCTURE DEVELOPMENT FUND (RIDF) - X RURAL WATER SUPPLY PROJECTS IN ANDHRA PRADESH SPECIAL TERMS AND CONDITIONS

1. **LAND ACQUISITION**
No land acquisition has been envisaged under the proposed projects
2. **MAINTENANCE OF ACCOUNTS**
The TWED shall maintain separate accounts of project expenditure. Accounts shall be maintained head-wise and the same shall be made available for scrutiny to the NABARD monitoring teams
3. **HYDROLOGICAL CLEARANCE**
No Hydrological Clearance (HC) is required for these projects
4. **BUDGET PROVISION**
 - i. GOAP shall make suitable budget provision for timely payment of interest and repayment of loan installments
 - ii. GOAP shall meet the cost escalation, if any, beyond the sanctioned cost out of budgetary provision.
5. **OTHER TERMS**
 - i. In all the sanctioned projects, no part of the administrative expenditure shall be included by GOAP for reimbursement from NABARD.

ii. Since RIDF-X has become operational from 01 April, 2004, reimbursement will be allowed by NABARD in respect of works done from this date.

iii. Administrative approval shall be accorded by the GOAP for the project cost before first drawal in respect of the sanctioned projects so that funds can flow uninterruptedly.

iv. In order to involve, Gram Panchayat / Beneficiaries in Operation & Maintenance of the projects, WUAs shall be formed. The Govt shall consider handing over the projects to Water User's Association after executing the appropriate memorandum of understanding with them. The Govt shall draw an action plan in this regard.

6. QUALITY OF WATER

Quality of water shall be regularly monitored by the implementing department as per the Manual of Water Supply and Treatment and also conforms to the physical and chemical standards prescribed by ICMR for drinking purposes.

7. TECHNICAL CONDITIONS

i. GOAP shall ensure that all civil, mechanical and electrical works are executed strictly as per the approved design and latest BIS codes.

ii. GOAP shall install pumpsets, transformers and other equipments, pipes, valves etc conforming to the prevailing quality standards of BIS.

iii. The GOAP shall make adequate arrangements to obtain required power supply from APSEB to run the pumpsets involved in the project. A plan of action shall be formulated by the State Government.

iv. The site selection of borewell may be done by State Ground Water Department based on resistivity surveys

8. QUALITY CONTROL AND PROJECT MONITORING

The Project Monitoring Authority will undertake desk / field monitoring and quality control tests as per the internal instructions / manual of implementing Department. The reports of the inspecting officer / quality control tests and compliance thereto shall be retained on record by Project Implementing Division. These reports should be made available to NABARD whenever required.

9. TRAINING THE MEMBERS OF WATER USER'S ASSOCIATION

The Gram Panchayat / Members of the WUAs shall be made responsible for operation and maintenance of projects. They will to maintain books of account, income and expenditure statements, conduct of General Body and Management Committee Meetings, attend to repairs etc. The Government of Andhra Pradesh shall provide training inputs to the Members of the WUAs on the above aspects. Accordingly, the Department shall draw up an action plan for providing the required capacity building inputs to all the Gram Panchayats / Members of the WUAs.

10. PROJECT IMPLEMENTATION

The project shall be completed by 31st March, 2006.

11. WATER RATES

Gram Panchayat / WUAs shall collect reasonable drinking water charges of Rs. 10/- per month per household from the villagers through Gram Panchayats concerned. The user charges will be utilized for local maintenance of the supply system and for salaries of the operators.

12. HEALTH PROTECTION

All necessary measures shall be taken up by GOAP to minimize the hazards of water borne diseases. Chlorination arrangement may be provided at delivery point if required.

13. PROJECT COMPLETION REPORT

GOAP shall submit a project completion report in respect of each of the sanctioned projects on completion.
