In the Project Officers Conference held on 8<sup>th</sup> and 9th May 2003, the Project Officers were requested to complete rationalization of schools in tribal areas by the end of May 2003. After such exercise, they were requested to work out the final list of vacancies of teachers including GVVK Schools. Project Officers were requested to take necessary action to fill up the vacancies in GVVKs.

In the meeting, Project Officers have suggested that recruitment to GVVKs can be centralized and the question paper and date of examination may be uniformly fixed for all ITDAs. The proposal was agreed to. The Project Officer, ITDA, Paderu was nominated to be the nodal agency for the recruitment of GVVK teachers. All the Project Officers were requested to complete the recruitment by June 2003. However, in the meantime, several Project Officers including Project Officer ITDA,Paderu were transferred because of which the recruitment of teachers could not be processed as per the time schedule.

Whereas a review was taken by Honorable Chief Minister on Tribal Welfare activities on 19-9-03. In the review it was directed that all the vacancies of teachers shall be filled up immediately.

The Project Officers of ITDAs are now, therefore, informed that recruitment process may be taken up by the Project Officers themselves at their level only, as the nodal agency concept was dispensed with. There are requested to take up recruitment of teachers in GVVK Schools duly following the Guidelines issued vide in the reference cited (copy enclosed for ready reference).

Further the Project Officers of ITDAs are informed that in the Video Conference held on 22-10-2003, Secretary (TW) suggested that only Inter passed candidates should be given preference in selection, as it would ensure better academic performance of GVVKs.

Action taken in this regard shall be reported to this office.
